

## REPORT OF INDUSTRIAL VISIT B. PHARM, SEM-II, 2018

An industrial visit at **BLOSSOM HEALTHCARE** and **WALLABLE PHARMA**, GIDC Dediyan, Mehsana was organized by S K. Patel College of Pharmaceutical Education and Research for B. pharm sem –II students on 30<sup>th</sup> March, 2018.

The students were departed for industrial visit at 10 O'clock morning. The visit was organized by Dr. R P Patel and teacher incharge Dr. Geeta Patel, Mrs. Dipika Patel and Ms. Hetal Hinglajia have handles the visit. We first visited Blossom Health Care, where they shown manufacturing of different candies, chocolates, and menthol products. Mr. Chetan Patel, manager of company introduced the students on various unit operations such as mixing, blending, milling etc.

We visited Wallable Pharma around 12:00. Staff and manager of the company had welcomed us. The company manufactures different liquid syrup and tablets. Two teams of the students were

separately guided by staff members of the company and they introduced the students on manufacturing of stated formulations. Students visited different departments of liquid orals and tablets, where students lively saw various manufacturing process and packaging of both the formulations. By this way students had a great opportunity and direct exposure of industrial manufacturing processes. Bothe Company gave light refreshment, chocolates and packets of Soda G as gift samples.
