

WORLD CANCER DAY CELEBRATION

4th February, 2019

World Cancer Day is marked on February 4 to raise awareness of cancer and to encourage its prevention, detection and treatment. World Cancer Day was founded by the Union for International Cancer Control (UICC) to support the goals of the World Cancer Declaration, written in 2008. The primary goal of the World Cancer Day is to significantly reduce illness and death caused by cancer by 2020.

As a part of celebration with the objective to create awareness on cancer as a part of World Cancer Day Celebration, Shree S K Patel College of Pharmaceutical Education and Research organized Guest Lecture on “Cancer Awareness” on 4th February, 2019 by Dr. Nirali N Trivedi. Various awareness activities regarding cancer types, causes and prevention were performed by students. The program was coordinated by Dr. Geeta K. Patel.
