

WORLD CANCER DAY

4th February, 2015

World Cancer Day is marked on February 4 to raise awareness of cancer and to encourage its prevention, detection, and treatment. World Cancer Day was founded by the Union for International Cancer Control (UICC) to support the goals of the World Cancer Declaration, written in 2008. The primary goal of the World Cancer Day is to significantly reduce illness and death caused by cancer by 2020.

For the same World cancer day was celebrated on 4th February, 2015 in our institute. On this day Essay, elocution and poster competition was held at college level on the theme entitled, **“Cancer: A Potential Threat”**. Various students of B. Pharm and M. Pharm had participated in various competitions. The following groups were declared as winner by expert committee.

- 1) 1st group (Baria Foram J., Patel Honey M., Patel Kinjal M.)
- 2) 2nd group (Patel Nisha M., Pathak Megha A.)
- 3) 3rd group (Chaudhary Darvina D., Patel Jinal K.)
